

Sailaway bunting

Use this template to string up a length of mini-bunting in no time! Print onto the back of coloured or patterned paper or card, cut out and fold the flaps over the string before gluing down. Alternatively, print onto card and cut out as templates for children to use to draw around.

Top tip!

You can personalise the bunting by writing a letter in each flag to spell out a family name! Or simply doodle in the triangles!

Sailaway fun!
